A Message from Your President:

The Connecticut Pastel Society Members Show is a perfect opportunity to come together in a spirit of camaraderie and display your best work alongside some of America's premier pastelists.

At CPS, we value education, excellence and ever increasing exposure for our members and the medium of pastel. Our membership list includes over 425 members some of whom are nationally recognized artists. We value their contribution as well as those who have achieved quiet advancement through their own creative spirit. Together we form a robust membership.

Please join us and make this member's show the best ever!
